A U.S. identification number of our choice may be assigned, free of charge, to your amateur-built aircraft when you submit a complete description of the aircraft. The form on the back of this letter may be used, as it meets our requirements for both description and registration purposes. A U.S. identification number of your choice may be reserved, if available, for one year by sending a written request and a \$10 fee for each number to be reserved. Please list 5 numbers, in order of preference, in case your first choice is not available. If the number is not assigned to an aircraft prior to the end of the year, the reservation will expire, but may be renewed from year to year upon request and payment of a \$10 renewal fee.

NOTICE: This number may not be assigned or painted on an aircraft until approval is received from this office.

Your written request to assign the reserved number to a particular aircraft must include a complete description of the aircraft. The form on the back of this letter may be used.
