

2019 DAHER TBM 910 (N910ER)
S/N 1723

**SPEC
SHEET**

We are proud to bring to market N910ER, a 2019 TBM 910 Elite with all the right avionics options and maintenance pedigree. The capability of 330kts, 1500nm+ range and operating from short fields matched with the incredible cockpit suite of Garmin G1000NXi tied together with the latest safety features of Auto-Ice Detection, Emergency Descent Mode, and Electronic Stability & Protection make the TBM 910 one of the most desirable aircraft in the segment. N910ER has been professionally flown since new and maintained under part 135 regulations. The sellers are including a fresh hot section inspection as part of the sale/inspection. This TBM 910 is ready for its next owner and will be turnkey as it is actively flying and current on all inspections. If you are looking for a fully equipped, highly looked after TBM this is it.

Additional high-res photos and complete logbooks are available upon request

Low rates and flexible term financing is available, so call us today to learn more about this and any of our other Aircraft available for sale!
